

ALLIES FOR EVERYONE

XLR8R “breathy vocals floating above thick four-to-the-floor... an artist that deserves more recognition”

EARMILK “capitalizing on the atmospheric power of music through ethereal mood and melody”

VIBE MAGAZINE “Allies For Everyone’s melody-driven sound is a combination of gut-wrenching soul and happy bounce. Dance, weep and burst into laughter all at once via Brian’s aural aptitude “

INTERVIEW MAGAZINE “A peaceful sentiment drifting on top of an insistent pulse: that’s the Allies guarantee. The music is fuller, the beats more perplexingly intricate, and the tone more unequivocally playful.”

WHEN WE DIP “powerful. Deep meets progressive groover... enchanting atmosphere and captivating vocal filling in the break”
